THE DAILY SUN, published every morning exmailed to any part of the United States, postage free, for \$5 a year; \$2.50 six months; \$1.25 three months; or 50 cents for five weeks-strictly in

Reading notices in local column to cents a line for first insertion, and 3 cents for each additional

Rates for display advertising made known on

The Twice-a-Week Sun is an eight page, forty clumn paper, published every Monday and Thursday, and contains all the news of the week, local, State and general, and will be mailed, postage free, to any part of the United States or Canada, for \$1.00 a year-in advance.

All advertising bills become due after first appearance of advertisement, unless otherwise stipulated in contract. Parties not known to us will be required to pay for advertising in advance. Address, THE DAILY SUN, GAINESVILLE, FLA.

As suggested by Col. W. J. Bryan, Democratic candidate for President, The Sun will receive contributions to forward same to the National committee. No subscription of less than one dollar will be received, and the names of all contributors will be published in The Sun, unless otherwise reasons therefor. Our friend attribrequested. Receipts for all money forwarded to the National committee will also be published. Send in your subscription and help the cause. The committee "needs the money."

The sawdust, chiefly of counting the stars on the plates pine and fir, is ground with millstones. has already been commenced, and this exactly as old-time milia made cornwill take at least 10 years, From meal, or wheat or rye flour. Expensive machinery is not required, out it is necessary to take special precaution against fires which might start from sparks between the millstones.

The sawdust flour is sold to the dynamite factories to be mixed with nitroglycerine and forms the body or absorbent for that high explosive. It is also in demand for the manufacture of cheap blotting papers. The mills in the Harz mountains, Germany, an important manufacturing center, are kept busy meeting this demand.

The price of the "flour" in Germany ranges from \$7.50 to \$12.50 a ton. It is shipped in bags, like meal, or in the Democratic campaign fund, and bales of about 40 cubic feet, made by means of high pressure.
